**VISAYAS**

**MINDANAO**

Our services are as follows:

- D.O. 174 Compliant Labor Contracting Service
- Operate, Manage and Maintain Agreement
- Field Sales Force Support, Deployment & Demand Generation Activities

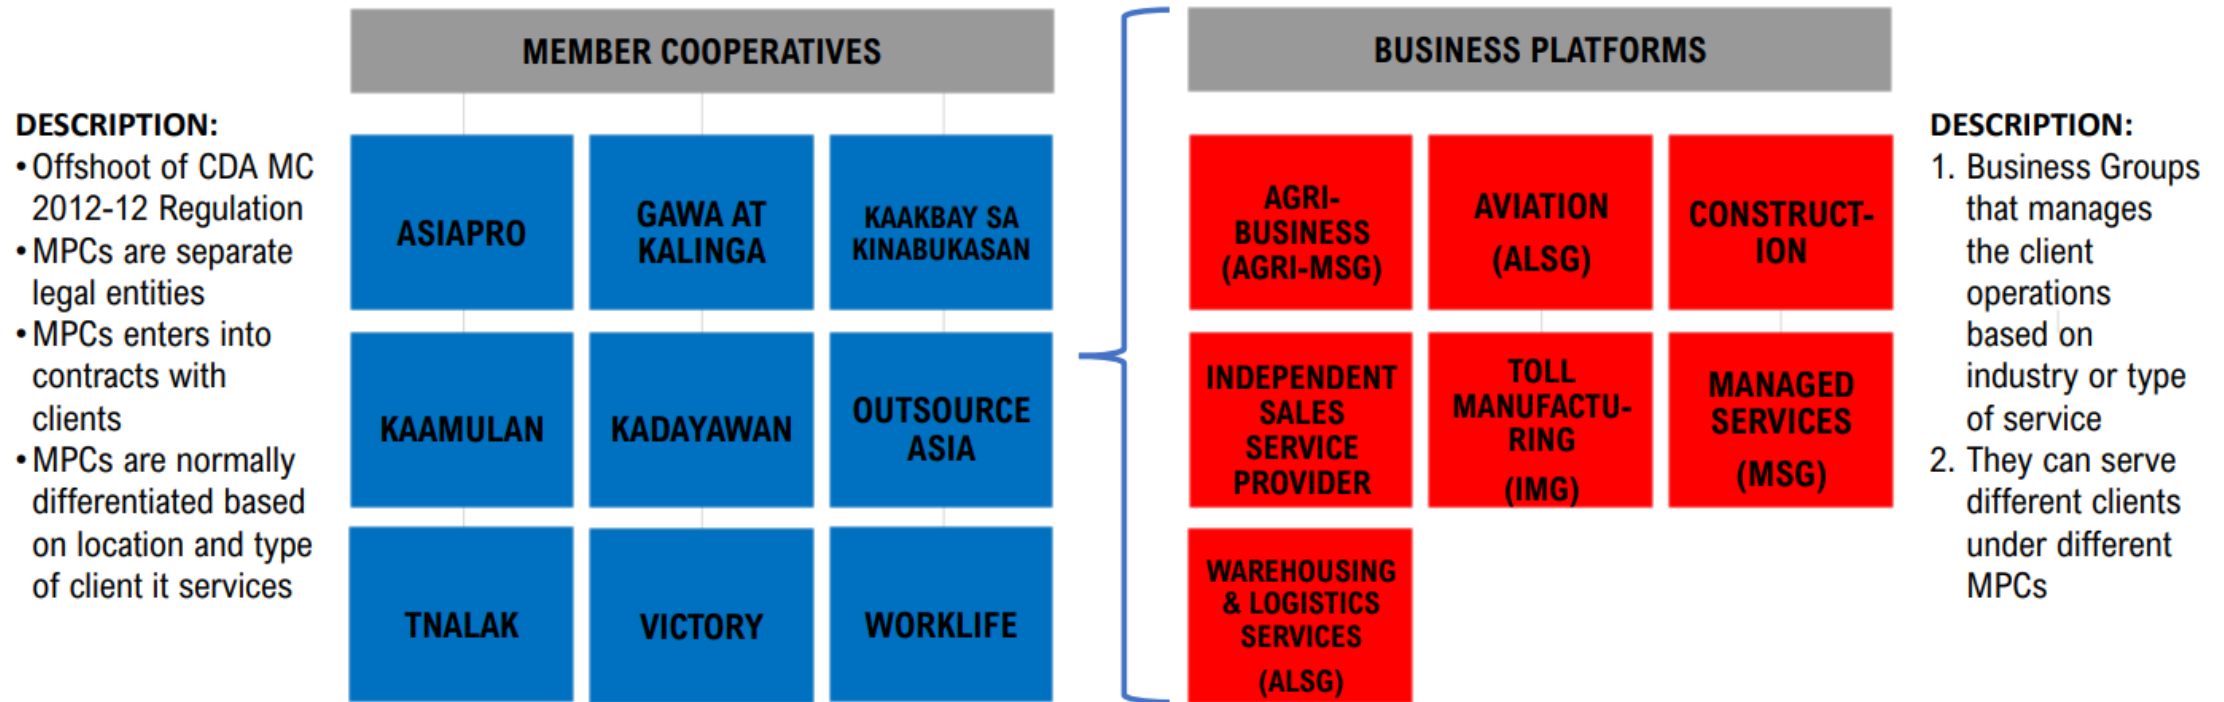

We are part of a larger Cooperative Network or Federation that are regionally based but operates as independent legal entities.

tipón provides back-end support services and shared operational functions in terms of HR, Marketing, Sales, Finance, Treasury, and Legal services for its affiliate cooperatives.

tipón's affiliate members provide services in various industries such as agriculture, aviation, construction, warehousing, logistics, independent field sales deployment, toll manufacturing, healthcare and managed services for hotel, restaurant and retail industries.

# tipón Federation (network) and its relationship with our Business Platforms

# Agri-business

Agri-business provides agricultural services to its clients and executes end to end farm operations and solutions - from the nursery stage up to packing and delivery.

## Services Provided:

Operate, Manage, and Maintain Farms which include:\*

- Crop and Fertility Planning
- Weed Control Management
- Disease Management
- Insect Management
- Harvesting
- Logistics
- Sales and Marketing

## COMPETITIVE ADVANTAGE

### VALUE FOR MONEY

- Lower Cost per Unit of Output
  - Decrease in operating expenses of the Clients.

### INCREASED PRODUCTIVITY DUE TO PROCESS IMPROVEMENTS

- Effect on Volume or Output produced - Higher volume as incentives are based on units produced
- Introduction of Process Improvements - set standard for efficiency based on best practices in the industry

### WORRY-FREE, SELF-MANAGED OPERATIONS

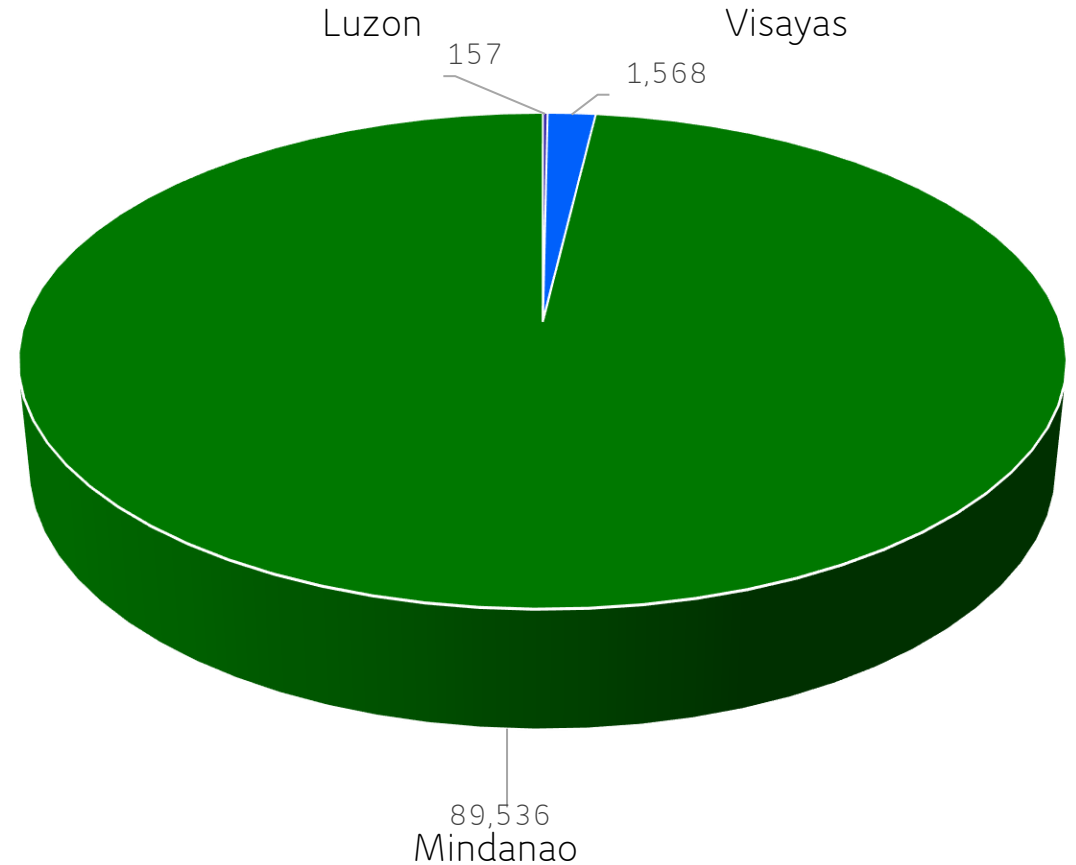

- Led by team who are experts in managing plantations based on Good Agricultural Practices (GAP)
- End to End HR Services
  - Dedicated back office support to handle sourcing, applicant screening, member concerns and payout.
  - Self-Managed Recruitment and Records and Payroll Operations
- Employee Engagement to Increase Productivity
  - Incentive Scheme
  - Training – mastery of skill, passion of work

*\*Outside of DO 174 which prohibits labor-only contracting as we are involved with purely commercial business-to-business relationship*
